

EL-SR10C

Description

Weatherproof 13.56M Mifare IC card Reader Wiegand 26 bits

Features

- Proximity Technology
- Weatherproof and slim design
- Wiegand 26 bits format
- Exceptional level of detection capability, high reliability, consistent read-range and stability

Specification

Working Voltage	DC9V-16V
Static Current	<=80am
Reading Range	EM<=12cm, IC<=5cm
Card Type	EM card, IC card,15693 card
Ambient Temperature	-20~70
Ambient Humidity	10%-90%
Communication distance	WG26/34<=100CM, RS485<=1000CM, RS232<=10CM
International Standard	wiegand interface,RS485 , RS232

Data Connection:

WG26		RS485		RS323	
Red	DC9V ~ 16V	Red	DC9V ~ 16V	Red	DC9V ~ 16V
Black	GND	Black	GND	Black	GND
Green	D0	Green	4R+		
White	D1	White	4R-	White	TX
Blue	LED				
Yellow	BEEP				
Orange	Ring				
Brown	Ring
