DA-PT8610 WATERPROOF
TOUCH EXIT BUTTON

The DA-PT8610 is a high-quality touch exit button, built with a durable aluminium frame and tempered glass for a sleek, modern look—far stronger than typical plastic models.

With N.O/N.C/COM outputs, it easily integrates into most wired access systems. Rated IP67, it's fully dustproof and waterproof — perfect for both indoor and outdoor use.

Tested to 1,000,000 activations and compatible with DC12V/24V, the compact 86 x 86 x 10 mm design offers reliable, long-term performance in professional environments.
