## EL-S886M5 WATERPROOF MUSHROOM EXIT BUTTON

The EL-S886M5 is a durable and responsive mushroom-style door exit push button, designed for both standard and emergency applications. It features a brushed stainless steel faceplate with a clearly marked "PRESS TO EXIT" sign and a plastic mushroom button available in two colors:

- Green (EL-S886M5G) – Bright and eye-catching, ideal for general exit use.
- Red (EL-S886M5R) – High-visibility for emergency use, providing quick action response.

Equipped with NO/NC/COM contacts, this button offers flexible integration with various access control systems. Its IP68 rating ensures protection against dust and water, making it suitable for indoor and outdoor environments.
